Houston, TX 77070

Business Office

11800 FM 1960 W Rd,
Houston, TX 77065

Aetna Insurance Patients

April 18, 2011

Recently Aetna unilaterally terminated our provider agreement with them, effective May 16th, 2011. Many of you have received letters from Aetna implying that you can not continue your care with us as your doctors. This is INCORRECT.

Since many of you or your employers have purchased health insurance policies that provide out of network benefits, you are entitled to choose not only your doctor, but your points of service. Your right to choose is ensured by the premiums you pay. This is true whether or not the providers or facilities have a discounted contractual agreement with Aetna, and in many cases, your out of pocket expenses will be unchanged.

To be clear, we will continue to accept Aetna insurance as out of network providers. If you are a current patient, we will continue to provide you uninterrupted services. This is also true if you have a new problem or are a new patient to our practice.

The costs to our patients like you that have policies with out of network benefits will likely be the same as before, and you will continue to receive from us the same excellent service and patient care you have come to expect.

Thank you for your loyalty to our practice. Please ask to speak to one of our financial counselors* if you have any questions regarding your insurance benefits.
