DOCTORS' CHOICE

2010

390 OF HOUSTON'S BEST PHYSICIANS AS VOTED BY THEIR PEERS

For our Third Annual "Doctors' Choice," Health & Fitness Sports Magazine contacted more than 3,000 Houston area physicians encouraging them to cast a ballot for the *best* doctors in Houston. The confidential online survey asked doctors to name two physicians that they would send their family or friends to in 39 specialties. Congratulations on being selected one of Houston's *best*.
