To My Patients:

It is with mixed emotions that I am writing to announce that I am leaving Advanced Orthopaedics and Sports Medicine effective March 10, 2023. I am moving my practice closer to my home, so I can dedicate more time to my family, while continuing to provide care to my patients. The address of my new practice, which will open May 1st 2023, is the following:

204 W 19th Street, Ste 200, Houston, TX, 77008

For urgent matters, please email [rmihi@heightsrheumatology.com](mailto:rmihi@heightsrheumatology.com).

If you require continuing care in Houston, the physician partners at Advanced Orthopaedics and Sports Medicine will be happy to serve you. They are all well trained in their respective areas and will be able to provide the services you may require without interruption. For information about the credentials, training, and areas of practice of our physicians, please visit our website at [www.advancedosm.com](http://www.advancedosm.com) and click on Our Specialists.

Your medical records are confidential, but when seen by other physicians at Advanced Orthopaedics and Sports Medicine, your medical records and history will be available during your visit.

In the event you plan to transfer your care to a rheumatologist in another medical practice you will need to complete and sign a medical record release form which is available on our website under "Patient Resources." Once Advanced Orthopaedics and Sports Medicine has received this completed form, they will be glad to forward your medical records to your new physician. You may email this completed form to [info@advancedosm.com](mailto:info@advancedosm.com).

Please contact our office at 281-955-7577 if we can be of further assistance during this transition.

I have greatly valued our relationship and thank you for trusting me to help take care of you. Best wishes in your future health.

Sincerely,

Ramona Mihi, MD
